## Alspec's Federation Cast Panels

Designed to suit all of Alspec's door and window screen frames, the Federation® Aluminium Cast Panels offer a wide range of styles, patterns and colours.

### Federation Design

Federation® Cast Panels feature unique designs with Australian Design Registrations. The Federation® Cast Panel range offers a selection of traditional and contemporary designs in an extensive range of colour finishes. Manufactured from the highest quality of recyclable aluminium, Federation® Cast Panels are a stylish and durable means to finish off your window and door screen.

### The Complete Range

Alspec now offers the complete range of screening systems from our top of the range Invisi-Gard® 316 Stainless Steel Security Screens, through to Alu-Gard®, Federation® Cast Panels, Alu-Grille® Diamond Grilles, Vision-Gard™ one way vision security screen, fibreglass and aluminium insect screen and all the associated accessories. For a history of great service and quality built products when considering an aluminium screen door system, there's only one place that has all the solutions - Alspec.

### Custom Built

All screen doors using Federation Cast Panels are custom built, made to measure to suit your exact requirements. Federation Cast Panels are suitable for a wide range of residential door and window applications including: Hinged Doors, Sliding Doors and Window Screens.

### Cast Panel Combination Options

#### Sliding Doors

#### Side Light

#### Hinged Doors

## Choice of Stylish Colours

With Federation® Cast Panels, matching the colour to your existing door and window frame is not a problem. A full range of powder coated colours are readily available from your Federation® Dealer.

- All Federation® Cast Panels are pre-finished and come with a 2 year powder coat warranty.
- A full range of powder coated custom colours can be ordered as requested.
- Please note that stocked colour ranges vary between branches.

#### Alspec Colour Disclaimer
